

# Nubbins

the everybodyfields

na na na na na na na na na na na na na na na...

you came along, i was behind  
you were alone, i didn't mind to follow you  
summertime, the moon shined in your eyes  
i couldn't find a big surprise when i came to  
you followed me, i walked right through

nubbins, nubbins  
nubbins, nubbins

summer came, summer's gone  
i wrote a song straight from me to you  
the sounds from the downtown coming out  
it's funny how i see your mouth but it don't move  
you followed me, i walked right through

nubbins, nubbins  
nubbins, nubbins
