

Baptize Me

The Exies

You're in my head
Tormenting me
I'm runnin' scared
In my time of need
Cuts on my head
Cuts on my feet
I'm here waitin'
So baptize me
Baptize me

I need a reason
I need to know just why
You were my meaning
Now its my you deny
Your in my head
Toward to me
I need a begin end
So baptize me
Baptize me
Baptize me

Hole in my self
Kills by degrees
Gift of compasion
You gave to me
Blistered my hands
On your beliefs
I'm here waitin'
So baptize me
Baptize me

I need a reason
I need to know just why
You were my meaning
Now its my you deny
Your in my head
Toward to me
I need a begin end
So baptize me
Baptize me
Baptize me

You're in my head
Tormenting me
I'm runnin' scared
In my time of need
Cuts on my head
Cuts on my feet
I'm here waitin'
So baptize me
Baptize me
