

# Down Down Down

## The Expendables

Sunshine in this lovely afternoon oh I can't feel much better  
so i lay back with my eyes under my hat my skin is dark as ever  
and nothing but sandal shorts and that my bike is my connection  
to every port that will supply my empty ship  
and harbor my intention

Tonight is on again  
I talked to all my friends  
into the village we get down down down  
we peddle down the street  
reflectors on the seat  
into the village we get down down down

(down down down)  
(down down down) Yeah  
(down down down)  
(down down down)

Night time in this neighborhood of mine you'll hear the backyards murmur  
oh when the glow light of the bonfire sight warms souls and outstretched fingers  
So down the road I go, Spinning my spokes  
To all authority my high is unknown, Yeahhhh

Tonight is on again  
I talked to all my friends  
into the village we get down down down  
we peddle down the street  
reflectors on the seat  
into the village we get down down down

(down down down)  
(down down down) Yeah  
(down down down)  
(down down down)

I have fell into this place I call my own  
I think I'll stay here for a while, for a while, for a while  
Oh Yeah Yeah Yeah  
Tonight is on again  
I talked to all my friends  
into the village we get down down down  
we peddle down the street  
reflectors on the seat  
into the village we get down down down

(down down down)  
(down down down) Yeah  
(down down down)  
(down down down) Yeah  
(down down down)  
(down down down) Yeah  
(down down down)  
(down down down)
