Swampy

The Expendables

Six years hasn't been too long
And I'm holdin' our stance strong
To the values of our fate

We partied every party to the ground
Turned every backyard upside down
And by and by we have survived

So don't start rollin' when the flood is comin'
We're all gonna drown in here tonight

This is something real from all of us
And this is how we roll, can you feel it?
So girl get up and dance, you know what to do
Don't be shy, this is why you came out here tonight
So let loose...

Tomorrow morning's gonna hurt
I hope I don't wake up in the dirt
One more sip and I'll fall asleep

Oh I've been hearin' things I didn't do
But there are versions I'll tell you
And by and by we have survived

So don't start rollin' when the flood is comin'
We're all gonna drown in here tonight

This is something real from all of us
And this is how we roll, can you feel it?
So girl get up and dance, you know what to do
Don't be shy, this is why you came out here tonight
So let loose...
