Broke My Heart

The Eyeliners

What's that you're saying when you're talking to me?
The feeling's changing why can't you see
You say it's over, well I don't care
You say you're sorry but life's not fair

You broke my heart yeah yeah yeah
That's what you're saying yeah yeah yeah
And now you're sorry yeah yeah yeah
That's what you say yeah yeah yeah

And now you want for me to believe
That we were not meant to be
You said it was over, before it could start
You said you're sorry, but you broke my heart

What's that you're saying when you're talking to me?
The feeling's changing why can't you see
You say it's over, before it could start
You said you're sorry, now you broke my heart

What you say is what you want to believe
You say that we're not meant to be
You think you're cool but I really don't think so
Just go away
