

# So What?!

The Eyeliners

I can tell that you've got something to say  
Don't wanna hear it, but you'll tell me anyway  
Your lips are moving but i'm not listening to you  
And i say so what if i'm not perfect  
And i make a few mistakes  
So what if i talk too much  
And make your head ache  
So what if what i say and do  
Are just not always clear  
So What?!

I have a flair for getting myself in a mess  
Sometimes i stick my foot in my mouth i must confess  
These things i already know  
So please don't tell me again  
And so what if i'm late cuz i can't get out of bed  
So what i f get into things  
That are way over my head  
So what if i drive you crazy  
Cuz i just don't make sense  
So what?!
