

## (I Know) I'm Losing You

The Fabulous Thunderbirds

Your love is fading, I can feel your love fading  
Girl, it's fading away from me  
I know it's true, there's someone new  
Ooh baby, I'm losing you

Yeah, your touch, your touch has grown cold  
As if someone else controls your very soul  
I've fooled myself as long as I can  
I can feel the presence of another man

It's there when you speak my name  
No, it's not the same  
Ooh baby, I'm losing you  
Yeah, it's in the air  
Lord, it's everywhere  
Ooh baby, I'm losing you

When I look into your eyes  
A reflection of a face I see  
I'm hurtin', downhearted and worried, girl  
'Cause that face, now, it don't belong to me

Oh, it's all over your face  
Someone else has taken my place  
Oh baby, I'm losing you  
You try hard to hide  
The emptiness inside  
Ooh, I can tell I'm losing you  
I don't wanna lose you

Oh, I can tell when we kiss  
From the tenderness I miss  
Oh, little girl, I'm losing you  
Girl, I can feel it in my bones  
Any day you'll be gone  
Oh baby, I'm losing you  
Oh my dear  
What happened to the love we shared?  
Yeah, baby, I'm losing you  
Yes I know it's true  
There's someone new  
Oh baby, I'm losing you, yeah
