

I'm Sorry

The Fabulous Thunderbirds

I'm sorry, I'm sorry, for all the things I've done
I'm sorry, I'm sorry, for all the things I've done
I didn't mean to do you wrong, I'm just having a little fun

Baby kiss me, and forgive me, and let me come back home
Baby kiss me, and forgive me, and let me come back home
I can swear to you baby, ain't gonna roll no more

Baby kiss me, and forgive me, and let me come back home
Baby kiss me, and forgive me, and let me come back home
I can swear to you baby, ain't gonna roll no more

I'm sorry; yes, I'm sorry
Well, I'm sorry; baby, I'm sorry
I'm sorry, pretty baby, for all the things I've done
