

## Let Me In

The Fabulous Thunderbirds

Hey baby, let me in  
Let's go back in time and start all over again  
I didn't mean to do you wrong  
Please let me come back home  
Hey baby, let's start all over again

Hey baby, give me a break  
When you treat me like this it cause my poor heart ache  
I didn't mean what I said  
Talking all off of my head  
Hey baby, let's start all over again

Hey baby, don't be cruel  
I was hot last night, down and acting like a fool  
Baby, please let me in  
I swear I'll never do it again  
Hey baby, let's start all over again

Yeah baby, let's start all over again  
Hey baby, let's start all over again  
Hey baby, let's start all over again
