Poor Boy

The Fabulous Thunderbirds

```
I'm a poor, poor boy
But that don't worry me
Everybody knows that the best things in life are free
Well I go out make a little money
Spend it fast as I can
I'm gonna go out and have a good time
Raise some sand while I'm still a young man
I got all the girls I need
And a hotel over my head
One thing I know, baby, I got clean sheets on my bed
Well I ain't got no money
But, baby, I don't care
I'm gonna ride around this town in my new car lookin' like a mi
llionaire
Yes, I said I'm a poor, poor boy
But that don't worry me
Everybody knows that the best things in life are free
