

Rich Woman

The Fabulous Thunderbirds

I got a woman
With plenty of money
She got the money
And I got the honey
I called my baby
Late last night
She told me, "Daddy
Everything went alright"
I don't have to worry
'Cause she's real fine
I know my baby
She's mine all mine
She give me a Cadillac
And diamond ring
She told me, "Daddy
Don't you worry about a thing"
She's all mine
And I'm so glad
She's the best woman
I ever had
