The Fabulous Thunderbirds

Well, come on baby and rock with me tonight  
Yeah, come on baby and rock with me tonight  
Well, you're so pretty and the moon is shining bright

Well, baby, baby, baby take a swing with me  
Yeah, baby, baby, baby take a swing with me  
I'll treat you right baby, you just wait and see

Well, baby, baby, baby take a swing with me  
Yeah, baby, baby, baby take a swing with me  
I'll treat you right baby, you just wait and see

Well, rock me in the evening and roll me late at night  
Rock me in the evening and roll me late at night  
Well roll me baby, I know you roll me right
