

Roller Coaster

The Fabulous Thunderbirds

Tell me, baby, how you feel
One word can close this deal
You got me taggin' along
And the road we travel I know is wrong
Tell me, baby, are you taking me for a ride?

You got me dancin' like a puppet on a string
Call my name and I'll do anything
Life would be worth livin' if I could make you mine
But I know too well that you're the hurting kind
Tell me, baby, do you like to see me cry?

First I'm up, then I'm down
You're draggin' my heart around
You got me on a roller coaster
You got me on a roller coaster

Love and affection I give to you
All my money, what more can I do
Why do you treat me, baby, so unkind
A love like mine is so hard to find
Your love is like a faucet
You can turn it off and on

First you're hot, then you're cold
You're acting much too bold
You got me on a roller coaster
Said, you got me on a roller coaster
I'm ridin' the roller coaster
Said, you got me on a roller coaster

Bought my ticket a long time ago
Where we'll stop, baby, nobody knows
My head is spinnin', goin' round and round
Wonderin' when you're gonna put me down
Tell me why you wanna take me for a ride

First I'm up, then I'm down
You're draggin' my heart around
You got me on a roller coaster
Got me on a roller coaster
I said, I ridin' a roller coaster
You got me on a roller coaster, yeah

Got me, got me, got me, got me
Got me on a roller coaster
I'm goin' up and goin' down
All around
I give you all my money, all my love
Why, oh, why...
