

## Tell Me Why

The Fabulous Thunderbirds

Tell me why-y-y  
Tell me why-y-y  
Tell me why-y-y  
Tell me why-y-y  
Tell me why, pretty baby, why are you leaving me now?

Is it the way I dress?  
Is it the way I mess around?  
Is it the way I love you, baby?  
You know a love like mine just can't be found

Tell me why, pretty baby, why are you leaving me now?

Is it because I'm lazy?  
Is it because I'm crazy?  
Is it because I drink too much wine?  
But the way you act baby, I committed a crime

Is it the way I dress?  
Is it the way I mess around?  
Is it the way I love you, baby?  
You know a love like mine just can't be found

Tell me why, pretty baby, why are you leaving me now?

Tell me why-y-y  
Tell me why-y-y  
Tell me why, pretty baby, why are you leaving me now?
