

# The Crawl

## The Fabulous Thunderbirds

East to west, north to south  
Brand new dance people shoutin' about

It's called the crawl  
Aw, the crawl  
Cats on the corner, everybody's doin' the crawl

Well, Jimmie got Jean  
Bobbie got Tommy  
I got Shirley  
Everybody's got a girl

It's called the crawl  
Aw, the crawl  
Cats on the corner, everybody's doin' the crawl

East to west, north to south  
Brand new dance people shoutin' about

It's called the crawl  
Aw, the crawl  
Cats on the corner, everybody's doin' the crawl
