

The Hard Way

The Fabulous Thunderbirds

I know you won't believe me
But every word I say is true
If things get too easy
It's like I don't know what to do
But no matter what people say
I got to find out the hard way

If I could only change
Don't you know I would
Try to make it easier
Now wouldn't that be good?
But I'm trying every day
Doing it the hard way
Still doing it the hard way

I'm giving up on easy
Giving up on smooth
This way of living
Is messing with my groove
Only one thing to say
Doing it the hard way
Doing it the hard way
