

# Walkin' To My Baby

The Fabulous Thunderbirds

I got to get to my baby, she live cross town  
She's the finest thing for miles around  
I'm walkin' to my baby  
I'm walking to my baby  
Yes, I'm walkin' to my baby cause her lovin' worth walkin' for

I got holes in my shoes and blisters on my feet  
I got to get to that woman 'cause she's so sweet  
Walkin' to my baby  
I'm walkin' to my baby  
Yes, I'm walkin' to my baby cause her lovin' worth walkin' for  
Let's walk right now

Well, I'd gladly walk to Dallas if I really had to  
When I'm in my baby's arms she know just what to do  
Walkin' to my baby  
I'm walkin' to my baby  
I'm walkin' to my baby cause her lovin' worth walkin' for  
Let's go home right now
