

# Faith in Me

The FAIM

I came to say hello  
Tonight we'll take it slow  
I promise I'll be worth your time

No place we need to be  
We'll find our company  
In Hendricks and the taste of lime

Oh, but when the night falls through  
Just wanna stall with you  
'Cause every second counts

Baby, won't you waste time on me?  
Baby, you can do as you please  
The world's shot you down  
There's no god in this town so why not put your faith in me?  
Maybe you could let yourself unleash  
Baby, won't you waste time on me?

One second lasts a life  
When you're a part of mine  
And I'm holding out till you feel the same  
I'll wait, won't fall asleep  
Like a kid on Christmas Eve  
'Cause if I close my eyes, you might slip away

So before this night falls through  
I'll take my chance with you  
And say these words out loud

Baby, won't you waste time on me?  
Baby, you can do as you please  
The world's shot you down  
There's no god in this town so why not put your faith in me?  
Maybe you could let yourself unleash  
Baby, won't you waste time on me?

Wasted time's never wasted on you  
Wasted time's never wasted on you  
Wasted time ain't wasted on you  
Our love is love, we ain't got nothing to prove

Wasted time's never wasted on you  
Wasted time's never wasted on you  
Wasted time ain't wasted on you  
Our love is love, we ain't got nothing to prove
