

# My Heart Needs to Breathe

The FAIM

Nothing is perfect, treat myself like an insect  
Wrap my life in a web just waiting for the end  
Got me feeling all crashed out, I'm your hooker, all smacked out  
In your head you're the landlord, I'm the one paying rent

Either you're all in or all out  
So get the fuck in babe or get the fuck out!

My heart needs to breathe  
Needs to breathe  
Needs to breathe  
(Sometimes when I'm high I get so low)  
My heart needs to breathe  
Needs to breathe  
Needs to breathe  
(Sometimes when I'm high I get so low)

You're a hit and miss, why'd I sign up for this?  
She's got the poisonous kiss designed to drag me down  
We're hopeless and hell-bound, caught in a meltdown  
In your head I'm a junkie for your desperate... love

Treat me like your voodoo doll  
You've got me screaming, uh-oh  
Sexy girl, do what you're told  
Let loose before I let go

Either you're all in or all out  
So get the fuck in babe or get the fuck out!

My heart needs to breathe  
Needs to breathe  
Needs to breathe  
(Sometimes when I'm high I get so low)  
My heart needs to breathe  
Needs to breathe  
Needs to breathe  
(Sometimes when I'm high I get so low)

(Hey! Hey!)  
Get the fuck in babe or get the fuck out!  
Either you're all in or all out  
Get the fuck in babe or get the fuck out!  
Either you're all in or all out  
Get the fuck in babe or get the fuck out!  
Either you're all in or all out  
Get the fuck in babe or get the fuck out!

My heart needs to breathe  
Needs to breathe  
Needs to breathe  
(Sometimes when I'm high I get so low)  
My heart needs to breathe  
Needs to breathe  
Needs to breathe  
(Sometimes when I'm high I get so low)

My heart needs to breathe  
Needs to breathe  
Needs to breathe  
(Sometimes when I'm high I get so low)  
My heart needs to breathe  
Needs to breathe  
Needs to breathe  
(Sometimes when I'm high I get so low)

My heart needs to breathe  
Needs to breathe  
Needs to breathe  
My heart needs to breathe  
Needs to breathe  
Needs to breathe
