

## Own My Eyes

The Faint

Telephone meltdown  
Check my likes  
Stare deep in the black mirror  
Is this real life?  
Cast out for an answer  
Serve bait till you bite  
My mind like a magnet  
Online

Distraction  
Distractions own my eyes

So deep in a mindset  
So down for a fight  
So brave on the laptop  
So bored with life  
Speak truth to the the church choir  
Go take sides  
My mind's like a magnet  
Online

Distraction  
Distractions own my eyes  
Distraction  
Distractions own my eyes
