The Falcon

We're gonna get get get that. We're gonna get get get that.
Let me Work ya Body
Cuz you're my Shawty

We're gonna get get get that. We're gonna get get get that.
Let me Work ya Body
Cuz you're my Shawty

Come near the Night is clear
Don't be Shy and show me what you got
Let's get on the Dancefloor
Let your body drop
Ya look Damn Hot
You look Damn Sexy
No Need Waiting get down on me
Everyone's take a look at you
I'm the one who makes ya dreams come true

Girl Girl You Know I want You
Girl Girl You Know I need You
Girl Girl You Know I feel You
You're Gonna be my Shawty
