

Bound

The Fall

And I guess you could just say it
And I guess you just c-c-c-couldn't say it
You're love-bound
Love-bound

You're out of bounds
Like your mother in the rain
Past the boundaries again

And the operator man
Puts you on hold again
But you just will not say it
Too much chocolate-dip
Your half-foot sandals
You're
Ah man, woman admit you're teletubbied again

Love-bound

And you just couldn't say it
And
And you just can't understand it

And your Marshall in the rain
Like a sheriff in the rain
Past the boundaries again

And you just can't understand it
And you just can't relate it

Love bound

And the Marshall cries again
Like a sheriff in the rain
The TV lines are vain

Love bound

And you just can't say it
And you just couldn't just say it

Love bound
Love bound

I just can't
I just couldn't say it
And I just couldn't say it
And the Marshall cries again

And a man cries in pain
Love bound again
Broken
And I just couldn't say it
And I just couldn't say it
And I just couldn't say it

Cos you're love bound

You're out of bounds
And you're love bound
