

Can Can Summer

The Fall

The town is anti-life
Time to change back
The town is anti-life
Time to change back
Time to change back
Turn the radio off
Catch up
Change back
You are no dog
Stop twitching
My boss he has the imagination of a gnat
No shard up
No yard up
Slowly cooking
Catch up
Change back
You are no dog
I'm shouting
No shard up
No yard up
Slowly cooking
Catch up
Change back
You are no dog
I'm shouting

And it's a Can Can summer
It is melting
I'm finding
Streamlined
(Ten pounds can ensure a lead for your dog)
No shard up
No yard up
Turn the radio off
Catch up
Change back
You are no dog
Turn the radio off
The town is anti-life
Time to change back
Time to change back
Turn the radio off
Time to change back, baby
