

## Das Katerer

## The Fall

And dad will keep you warm  
And mam will keep you warm  
And in the smash  
Stick with me, stick with me  
I am the caterer  
I am the caterer  
I am the caterer

I deal chips from the left  
Chicken and chips off the bone  
I offer all on the menu  
Stick with me, stick with me  
I am your caterer  
I am your caterer  
I am the caterer

And with the finest grain solution  
No dogs allowed  
Get out of my house  
I am not your mother  
Stick with me  
Stick with me  
I am your caterer  
I am your caterer
