

## Dktr. Faustus

## The Fall

Doctor Faustus  
Horseshoes splacking  
Swallows hay cart, cart horse  
Of the peasants blocking his path

Doctor Faustus  
Power showing  
Spits out hay cart, cart horse hay and box  
Outside the gates of the town of Anholt

You've had your chances, you've had your chance  
You've had your chances, you've had your chance

Doctor Faustus  
At the court of the Count  
Made fruits exotic pleasure-licious  
Appear behind curtains in Winter

Faustus  
At the court of the decadent Count  
Made animals from sunny lands appear  
In the sparse gardens

You've had your chances, you've had your chance  
You've had your chances, you've had your chance

Doctor Faustus  
Horseshoes splacking  
Swallows hay cart, cart horse  
Hay and box  
Of the peasants blocking his path  
Had to leave  
His drinking student friends

Doctor Faustus, Doctor Faustus  
Had your chances, you've had your chance  
Had your chances, you've had your chance  
Had your chances, you've had your chance  
Had your chances, you've had your chance
