

Happi Song

The Fall

If I can see and you can see
Why can't they see
If I can see and you can see
Why can't they see

Raindrops on the highway
It was in the second hour
I saw them sitting there

If I can see and you can see
Why can't they see
If I can see and you can see
Why can't they see

As we drove through Australia
It was always going to be
A matter of time

If I can see and you can see
Why can't they see
If I can see and you can see
Why can't they see

Got no English folk music
Got no [?] four one six
Got no English folk music
Got no [?] four one six

I recheck
I recheck
I recheck
I recheck

If I can see and you can see
Why can't they see
If I can see and you can see
Why can't they see

No its never
On the radio
I can wait and wait and wait
It will never show

Is the source of joy
But they can't see that
But look into his eyes

If I can see and you can see
Why can't they see
If I can see and you can see
Why can't they see
