

I'm Frank

The Fall

Now I've got a lot to say now, baby
But it doesn't concern me today now, baby
Hello

Gimme gimme gimme it slowly, baby
Gimme gimme gimme it slowly, baby
Give it to me gently, baby
Gimme gimme gimme it slowly, baby
Hello

Gimme gimme gimme it slowly, baby
Gimme gimme gimme it slowly, baby
Give it to me gently, baby
Gimme gimme gimme it slowly, baby
Shh
Ahh
Unh unh anh anh

Gimme gimme gimme it slowly, baby
Gimme gimme gimme it slowly, baby

Gimme gimme gimme it gently, baby
Gimme gimme gimme it gently, baby
Just gimme gimme gimme it slowly, baby
Gimme gimme gimme it slowly, baby

Gimme gimme gimme it gently, baby...

(That was Craig's tribute to Frank Zappa. Now we can all laugh about this, but that was his attempt to be Frank and therefore I entitled it "I'm Frank")
