## Immortality

You try and change it You try and arrange it You try and shape it But it's immortality, yeah It's immortality You cannot change it Or rearrange it It's immortality Immortality Immortality That's where you're at, dear You're shedding your mentality But it's immortality And you cannot buy it You cannot put it in your pocket book You cannot put it in your BCI Don't try and shape it Cos it's immortality It's immortality, yeah Immortality, yeah It's where you're at, yeah Immortality Immortality The Viking gods had it [Lord/Nord] Odin had it Don't try and change it Don't try and put it in your pock-book-et It's immortality It's immortality, yeah And you cannot change it And you cannot rearrange it And you cannot shape it Cos it's reality, yeah It's immortality, yeah You cannot buy it And that's all you're gonna get From immortality Immortality

## The Fall
