

Kick the Can

The Fall

Liars of all
You are flying
You are flying
You are flying
By sailing

You gotta kick the can or I'm sailing some foreign land
You are sailing
And finish up a
You're in the heart of France

A place very accustomed to your visit
A place very accustomed to your visit

You are flying
You are flying
You are flying

You gotta kick the can or descend in some foreign land
You gotta kick the can or descend in some foreign land
You gotta kick the can or descend in some foreign land

You gotta kick the can (You gotta kick the can)
You gotta kick the can (You gotta kick the can)
You gotta kick the can (You gotta kick the can)
You gotta kick the can (You gotta kick the can)

You gotta kick the can
You gotta kick the can

You gotta kick the can or descend in some foreign land
You are landing on a supporter of a swear word
Wholly entrenched
Entrenched

You gotta kick the can (You gotta kick the can)
You gotta kick the can (You gotta kick the can)
You gotta kick the can (You gotta kick the can)
You gotta kick the can (You gotta kick the can)

You gotta kick the can or descend in some foreign land
You gotta kick the can or descend in some foreign land

You gotta kick the can (You gotta kick the can)
You gotta kick the can (You gotta kick the can)

You gotta kick the can or descend in some foreign land
You gotta kick the can
You gotta kick the can (You gotta kick the can)
You gotta kick the can or descend in some foreign land
