

Kurious Oranj

The Fall

Pained and intense, man
They were inquiring

They were curious orange...

They rode over peasants like you, they rode over peasants like
you

And their horses loved them too, and their horses loved them to
o

They were curious orange...

They built the world as we know it, all the systems you travers
e

Rode slipshod over all dumbshits

They were curious orange...

They freed the Blacks too

They built church in one day, man

Amish

They were curious orange...

Their clothes were cool

Paved way for atom bomb - didn't know

They made the Jews go to school

They made Hitler laugh in pain

They sent missionary girls to Arab states, and the sun-
baked men

Did drool

They were curious orange...

They made Hitler laugh in pain

They turned Napoleon over and didn't know

They invented birth control

They were invulnerable to cool

They were curious orange...

They were beyond Ooobenblief

They were primo efficient to a man

They were Stuyvestant smoking

They were the Reformation spring

And everybody in the world

Turned reformation blue

They were invulnerable to cool

And everybody in the world...

And they were inquiring

They were positively deranged and they were curious orange

They were curious orange...
