

Pumpkin Soup and Mashed Potatoes

The Fall

Parmesian carrots with mushrooms
Frankly that I've never been keen on
It's pumpkin soup and mashed potatoes
That's for my Hallowe'en tea
Pumpkin soup and mashed potatoes
That has always been my dream

Physicians moan about the guarantees of vegetables
But to be frank what I'm keen on is that same old scene
Pumpkin soup and mashed potatoes
That is my Hallowe'en tea
Pumpkin soup and mashed potatoes
That's why I'm always keen
Pumpkin soup and mashed potatoes
They'll keep me clean
Pumpkin soup and mashed potatoes

I'm old, not much, but I'm going mad
Because of the starvation that I've had
Clouds rush by
But I always have my dream

Pumpkin soup and mashed potatoes
That is my hallowe'en tea
Pumpkin soup and mashed potatoes
