

Rollin' Dany

The Fall

Well, everybody's talking about the working man
Nobody's talking about Rollin' Dan
Everybody's talking about the working man
Nobody's talking about Rollin' Dan
Rollin' Dany
He was the rollin' man
Well, Dan walked into the old dancehall
Told the women he loved 'em all
Two six women did a dance and crawl
And I'm-a telling ya man this cat'd fool 'em all
Rollin' Dany
He was the rollin' man
Go
And three, four, five six, cats linked up against the wall
And mothers you dared the girls
But if you loved ya women and ya loved 'em right
And I'm-a telling ya man, they were in for a fight
From a Rollin' Dany
He was the rollin' man
Go
Well, everybody's talking about the working man
Nobody's talking about Rollin' Dany
Everybody's talking about the working man
Nobody's talking about Rollin' Dany
Rollin' Dany
He was the rollin' man
Rollin' Dany
He was the rollin' man
Rollin' Dany
He was the rollin' man
Rollin' Dany man
He was the rollin' man
