

Serum

The Fall

Help yourself dear brother as long as you've got serum

And kids, I just need to get home to them
There's no mam there or there wasn't last time I looked
And many have found pleasures in curvaceous women
We're excluded for our own good

When will the serum come again?

Many have found pleasures in curvaceous women
Their undulating curves upper and lower
But what I really need is a glass of cold water
The serum gives results

When will the serum come again?

First three hairs descended in this morning
From the fringe of the fop
And the scalp of your mind
Serum unavailable
And where the sun meets the dawn

And the serum never came
