The Fall

So many people  
It is the same  
The valleys open up  
It is the same  
Get a potato out  
It is the same  
When I open the mail  
It's the same game  
Lyrics on TV  
Sound like this to me  
When I get a potato out  
It is the same  
When I open the mail  
It is the same  
Nothing you can do  
Surrounding the [?]  
When I get a potato out  
It is the same  
Get it excited  
It is the same  
When I walk up the hill  
It is the same

Systematic abuse  
It is the truth...

Systematic abuse  
It is the whole truth

Paralytis, I'm telling you

Systematic abuse  
It is the truth  
Systematic abuse  
It is the whole truth

When I open the local paper  
It is the regular advertiser  
It crumbles in my hand  
When I cross the roundabout  
It was the same  
When I cross the roundabout  
It is the same

Systematic abuse  
It is the truth  
Systematic abuse  
It is the whole truth

When I open the mail  
It crumbles in my hands  
When I open a bill  
It crumbles through my hands

Systematic abuse  
It is the truth  
Systematic abuse

It is the whole truth

Ba ba ba bah...

Systematic abuse  
It is the truth  
Systematic abuse  
It is the whole truth

Do you?  
Do you accept?

Systematic abuse  
It is the truth  
Systematic abuse  
It is the whole truth

Systematic abuse  
Do you?  
Do you exit?  
Do you accept?  
Do you accept?  
You've got your head in water

Systematic abuse  
It is the truth  
Systematic abuse  
It is the whole truth

Ba ba ba bah...

Systematic abuse  
Now you know the truth...

Systematic abuse  
It is the whole truth

Systematic abuse  
It is the truth  
Systematic abuse  
It is the whole truth

Systematic abuse  
Now you know our truth  
You want the truth  
Mister You

Systematic abuse  
It is the truth  
Systematic abuse  
It is the whole truth

So many people  
It is the same  
The valleys open up  
It is the same

When I get a rotten vegetable out  
It is the same  
When I open the mail  
It is the same

Systematic abuse

It is the truth  
Systematic abuse  
It is the whole truth

Will nobody progress?  
They're all always [?]  
Keiron's paralytic  
I'll tell you some more...  
Some others

Systematic abuse  
It is the truth  
Systematic abuse  
It is the whole truth

Ba ba ba bah...

Systematic abuse  
It is the truth  
Systematic abuse  
It is the whole truth

Systematic abuse  
It is the truth
