

Taking Off

The Fall

Take off!
6pm, Bonjela complexion
Taking off

Stress at four is forbid
Silence 6pm
Bonjela completion

To servant
To servant to stress
Take it off

Too stressed
To Simon, to chef
Ersatz! Ersatz!

Invest, toupee!
Enter, tidying, tied in!
Echoed eyeballs
By skips

Take off

Grating three-fold
In a furrow
Lack of paper

Take off

You never told me, Simon
About the forty carat scum
At Newquay train station
Take off at weekends!

Digest, ingest
Taking, success
Source, to chef
Digress, ingest,

Take off

In success, respect
Digress, before
Eon, take off
Stop, take off
