And one always exiting to the easy gate  
Exit to two years to be perfect

Two Librans reflect  
Two Librans high and low in mind  
To Oprah Winfrey, she studied bees  
Studied bees, two Librans

War  
The muggings dressing a slow dancer  
Nelson in Timor  
Tolstoy in Chechnya

Two Librans reflect  
Two Librans high and low in mind  
To Oprah Winfrey, she studied bees  
Studied bees, damn, two Librans

Exit to two years to be perfect

Two Librans reflect  
Two Librans  
The miracles of blonde September  
Back to the lick  
Back to the tedium  
The Cambodian, Cambodian rip
