

## **Victrola Time**

**The Fall**

Science hasn't recorded it yet...  
And I don't want bennies... jellies...

I said MDMA years!  
You can't feel, you can't feel Victrola  
Victrola teller, Victrola teller  
From '28 from '16  
Victrola  
DMA years

Stop!  
J-j-just stop  
J-just can't  
Just can't

Post meth and DMA years  
The pre non-MDM and net years  
The post meth MDMA years  
The pre-non-MDM and meth years  
The post meth and also DMA years  
The MDMA years  
The pre-black eyes and tears of today years  
The post-meth MDMA years  
MDMA years...  
Can't feel I could cry  
Joy  
The pre-black eyes and tears of today years
