

## Weather Report 2

The Fall

Hello, how are you today?

I thought the vitamins would change my life  
I walk down the city streets  
I see weather reports

(It's like an ice rink)  
Made a very, very, very big mistake  
Nobody's called me sir in my entire life  
(Nobody has ever called me sir)  
You gave me the best years of my life  
(The best years of my life)

I look to the past then the left  
The whirlpools cascade over my face  
(The whirlpools cascade)  
And I watched Murder She Wrote  
At least five times  
The cast deserved to die  
The whirlpools go wider and wider  
Of words spoken

And you gave me the best years of my life  
(You gave me the best years of my life)  
You gave me the best years of my life  
(You gave me the best years of my life)

Weather reports  
It's like an ice rink  
Limescale  
In a Mediterranean retarded [?]  
Mediterranean it is not  
Three days a week  
I hacked my TV

I miss my family in Oxford  
That's why I hope to get to back  
That's what I'm looking at  
That's what I'm looking forward to  
That's the way it goes  
That's the way it goes

You gave me the best years of my life  
You gave me the best years of my life  
The whirlpools get wider and wider  
The whirlpools get wider and wider  
Nobody has ever called me sir in my entire life  
Nobody has ever called me sir in my entire life  
The whirlpools cascade over the smoking tent

But then, anathema [?] gave up Tuesday  
Chino hyphen lap  
Cheap, crispy guitar  
Nobody has called me  
Nobody has the medium  
The whirlpools cascade  
Over widening, widening, widening

Never mind Jackson  
What about Saxons  
Recording of lost London  
You don't deserve rock 'n' roll
