Wolf Kidult Man

The Fall

Reputation is gone
You're in the clear, boy
Every day of your life
You persevere, boy

Wolf kidult man
Wolf kidult son
Where is your mum?
Your power is gone

Every moment of truth
Is here to stay
Somewhere up in your ear
You're babbling, frantic

Wolf kidult man
Wolf kidult son
Where is your mum?
Your power is gone

You start to walk
Where are you going?
Going to a shop
Your arms limp at your sides
And you've got to embrace this

Wolf kidult man
Wolf kidult son
Where is your mum?
Your power is gone

Reputation is gone
You're in the clear, boy
Every day of your life
You persevere, boy
