Remember boy that your forefather's died Lost in millions for a country's pride But they never mention the trenches of Belgium When they stopped fighting and they were one

A spirit stronger than war was at work that night December 1914 cold, clear and bright Countries' borders were right out of sight When they joined together and decided not to fight

All together now All together now All together now In no man's land

All together now All together now All together now In no man's land

The same old story again
All those tears shed in vain
Nothing learnt and nothing gained
Only hope remains

All together now All together now All together now In no man's land

All together now All together now All together now In no man's land

The boys had their say they said no Stop the slaughter let's go home Let's go, let's go, let's go Let's go home
