

## Bumble Bee

### The Features

Bumble Bee  
You're my little Bumble Bee  
Always there to rescue me  
When trouble comes around

Can't you see  
What it is you mean to me  
Everything is peachy keen  
When you're by my side

Walking home from her house  
Couldn't think of things to say  
Walking home from her house  
Mercury's in retrograde

Even though I couldn't find the words to say  
It's understandable, hey

Bumble Bee  
You're my little Bumble Bee  
Always there to rescue me  
When trouble comes around

Can't you see  
What it is you mean to me  
Everything is peachy keen  
When you're by my side

Stuck inside a dream  
Hope it lasts forever  
As long as we're together  
Going to dream my life away

Vividly I see  
That stark white stork approaching  
Lately he's been coaching  
Our little family
