

## Dark Room

### The Features

I'm keeping pictures of you in my head  
I'm looking at them every chance I get  
I'm developing a certain thing for you  
Each and every night in my dark room

Some are color some are black and white  
Your face is keeping me awake at night  
Imagine you and me together like I do  
Spending lots of time in my dark room

I've got a dirty mind  
It takes control sometimes  
When I lie down to sleep  
It's creeping up on me
