

Jurley has many things
That she likes to do
Making pottery is
One of the Few

Jurley
Jurley
Where have you gone?
Jurley
Jurley
This is your song

One day she packed her bags
And moved away
Far away
Then she came back again
And made my day
Made my day

Jurley does many things
Very well
Jurley, I think you should know
You are swell

Jurley
Jurley
Where have you gone?
Jurley
Jurley
This is your song

I know I can't complain
'Cause she came back again
Yeah, Yeah, Yeah!

Jurley has many things
That she likes to do
Making pottery is
One of the few

Jurley
Jurley
Where have you gone?
Jurley
Jurley
This is your song
