

Me & The Skirts

The Features

I try so hard to get to you
but it never really seems
to matter what I do
stand on my head bend over backwards too
sometimes I talk until my face turns blue

oh what a pity oh what a shame
me and the skirts always turn out the same
a little bit angry oh a little bit tame
me and the skirts always end up the same yeah

what were you thinking when you saw the light
were you surprised to find the worlds outside
I felt so sorry for your little head
was it depressing to just lay in bed

oh what a pity oh what a shame
me and the skirts always turn out the same
a little bit angry oh a little bit tame
me and the skirts always end up the same yeah

oh what a pity oh what a shame
me and the skirts always turn out the same
a little bit angry oh a little bit tame
me and the skirts always end up the same yeah
