Phase Too

The Features

So you found Something more Than anyone has heard.

It's a sound
So profound
You can't describe with words.

So every time You're first in line For a new. Good for you.

What's that you say? Send it away. Now you're through, And that'll do.

Now you know Where to go To step into a scene

Play the part Break some hearts Life is but a dream

So every time You're first in line For the new. Good for you.

And what's that you say? Send it away. Now you're through, That'll do.

This is temporary, Seems to Happen every time you Find another thing to Replace the other.

This is temporary, Seems to Happen every time you Find another thing to Replace the other.

So every time You're first in line For the new. Good for you.

What's that you say? Throw it away. Now you're through, And that will do. This is temporary, Seems to Happen every time you Find another thing to Replace the other.

This is temporary, Seems to Happen every time you Find another thing to Replace the other.

This is temporary.
Why are
You so very fickle?
It's just another phase too.
It's just another phase.
(shoo, baby!)

It's just another phase too.
It's just another phase.
I hope you find what you're looking for I hope you find what you're looking for (shoo, baby!)

You gotta get...
Ahhhhh... so fickle!
What's wrong?
I hope you find it.
It's just another phase too
