

For Now

The Feelies

Ain't nothing going on
Ain't nothing happening at all
Can't find anything
Can't find nothing at all

I'm waiting, ready to go
What I want, hey, I don't know
Alright
Alright

Maybe I'll take a walk
Maybe I'll stick around
My mind is spinning, yeah,
And everything is upside-down

No rest in a restless world
Everything is out of control
It's alright
Alright

It's alright
Yeah it's my life
It's OK
Better off that way

It's alright
Yeah it's my life
It's OK
Better off that way

It's alright
Yeah it's your life
It's OK
Better off that way

Alright

My mind is spinning
