

Two Rooms

The Feelies

Out from the yard
Out in the dark
Let it go on
Let it go on

Become what you are
Become what you are
Can't be too hard
Can't be too hard

The offer is hard
The right time to start
Time to go on
Right from the heart

Become what you are
Become what you are
Can't be too hard
Can't be too hard

Become what you are
Become what you are
Can't be too hard
Can't be too hard
