

## Let It Be Gone

### The Feeling

Let it be gone is like a toy  
Here's a goal if daddy gave away  
To another boy like other things  
You used to laugh let it be gone

Let it be gone  
Just like the time  
To the years ago  
Your daddy gave away  
To another boy  
And other things you used to love  
Let it be gone
