

Over And Over

The Feeling

Babe, tell me that you love me now
Tell me that you feel the same
Over and over again
Babe, you tell me in a faithful voice
But do you really mean what you say?
Over and over again
Ooh, babe

Are you fearful of the silence
Let me down, baby
Let me down, baby
Save your discourse, your artistic license
Let me out, baby
Let me out

Ooh, babe
Tell me that you love me now
Tell me that you feel the same
Over and over again
Ooh, babe
Tell me in your faithful voice
Do you really know what you're saying?
Over and over again

We had sunshine love came easy
From the start, baby
From the start, baby
I see dead eyes when you kiss me
It breaks my heart, baby
You break my heart

Ooh, babe
Tell me that you love me now
Tell me that you feel the same
Over and over again
Ooh, babe
Tell me in a faithful voice
But you don't even know what you say
Over and over again

If being all alone is frightening
Yeah, I don't wanna end this now
I don't know how to do the right thing
But I'm so lonely when I'm with you

Babe
You tell me that you love me now
You tell me that you feel the same
Over and over again
Ooh, babe
You tell me in a faithful voice
But do you really mean what you say?
Over and over again
Ooh, babe
Ooh, babe
Babe
Tell me that you love me now

Tell me that you feel the same
Over and over again
Ooh, babe
