

Repeat to Fade

The Feeling

Out with a bang
That's how to do it
Don't leave a shadow
Out like a lie
How could I stay
Bleached out by sun rays
Weaker and weaker
To aim defy

Oh no, woo...
No don't repeat to fade
Oh no, woo...
No don't repeat to fade
To fade

People we love
Deserve not forgetting
From the beginning
Right to the end
So leave with a flash
One grand finale
Go if you're going
Don't slowly descend

Oh no, woo...
No don't repeat to fade
Oh no, woo...
No don't repeat to fade
Repeat to fade
To fade
To fade

No don't, woo...
No don't, woo...
No don't, woo...
Repeat to fade
...
